

CODE OF ETHICS

American School Food Service Association
Kentucky School Food Service Association

Members of the American School Food Service Association are pledged to the improvement of school, community, and national health through well-directed quality food service.

A worthy member fulfils an obligation to his/her association, school, community, self and to related professional groups when he/she accepts these responsibilities:

To guide personal conduct by the Golden Rule.

To uphold the ethical standards by which the profession is judged.

To place service for the good of others above personal gain.

To seek newer knowledge in professional work and apply this knowledge to improve the quality of his/her work.

To share his/her knowledge and skill by serving in community activities.

To cooperate with related professional groups in achieving common goals.

To take an interest in pertinent legislation and promote public support which will improve the status of school food service personnel.

AMERICAN SCHOOL FOOD SERVICE ASSOCIATION INSIGNIA

The Emblem

The American School Food Service Association Emblem is designed to be in keeping with the name of the Association, the work of the members, and the high purpose and ultimate goal of the work in which they are engaged.

Association initials are across the top.

The sheaf of wheat represents FOOD.

The extended hand signifies SERVICE.

The motto "Finis Coronat opus" means

"The end crowns the work."

Any material or devices representing the American School Food Service Association emblem or using the name of the Association must first be approved by the Executive Board. An exception is made for the use of the emblem or name on the programs or related printed materials.

**Summary of the First Six Months of KSFSA
By Mildred Schneider**

The first meeting was called by Miss Loyola Bultman on September 14, 1956, in Louisville. Seven of the 34 contacted attended. It was decided to organize a state association and affiliate with the American School Food Service Association. A nominating committee and a committee on constitution and bylaws were appointed.

The organization meeting was held September 28, 1956, in Frankfort. Sixteen attended. Officers elected were: President, Miss Virginia Wheeler; President-Elect, Mrs. Helen Ligon; Secretary, Miss Loyola Bultman; Treasurer, Miss Ann R. Brownlie. The constitution and bylaws presented by Miss Jane Lewis and Mrs. Ligon were adopted with a few minor revisions. Miss Bultman was named as a delegate from KSFSA to the ASFSA convention in Chicago on October 22-25, 1956. Mr. Cephas Bevins, Miss Theresa Duhme, and Miss Evelyn Rietze were appointed to take care of publicity. Miss Sheeler asked Mrs. Nora Chandler to serve as Special Projects Chairman and Miss Jane Lewis as membership Chairman. Three executive board meetings have been held. Plans were made for the annual spring meeting. A new secretary was appointed to replace Miss Bultman who resigned because she is getting married soon.

The First KSFSA Chapter
Organization Meeting – December 3, 1958

OWENSBORO CHAPTER

At the close of a Christmas Banquet, which was held at Kentucky Wesleyan College, December 3, for city lunchroom workers, principals, and superintendent, Eleanor Ligon, state area supervisor, called a meeting for the purpose of organizing a local chapter of the Kentucky School Food Service Association. Mrs. Gilliam, assistant at Lincoln school lunchroom, submitted a slate of officers and the group voted to organize the first local chapter in the state of Kentucky.

Officers elected were:

President: Mrs. Howard Smith, Manager of Washington school lunchroom

Vice President: Mrs. Mamie Shown, Manager of the Area Vocational school lunchroom

Secretary-Treasurer: Mrs. Blanche Gibson, Lee School

It is hoped that the organization of this chapter will be a continuation of the theme “Lunchroom at its best in Education”.

There being no further business the meeting adjourned.

Signed: Mrs. Smith, President
Mrs. Gibson, Secretary/Treasurer

The Birth of the Newsletter

THE CHALLENGER

Eleanor Ligon, supervisor with the State Department of Education, who was instrumental in organizing the first local chapter in Kentucky, was the first president to appoint a Newsletter Editor, Helen Davis of Todd County. From humble beginnings the eight and one-half by eleven inch typed-page newsletter grew to an eight and one-half by fourteen inch, folded newsletter that was typed and sent to an area office supply company to make electronic stencils of the pages that included *pictures!* Bold lettering was done with lettering guides. The newsletter was printed by mimeograph. (A Todd County secretary still laughs about the time the face of someone fell out of the stencil. Was not funny at the time!)

In 1963, Laura Moores, supervisor, State Department of Education, and the “Newsletter” Editor, Helen Davis, decided the newsletter needed a name! A contest was developed for the membership to name the newsletter. The contest was won by Mrs. Marie Kessler, 1157 Standiford Avenue, Louisville, who worked in the J. Stoddard Johnson School. She won a Dominion Electric Hair Dryer with manicure set donated by CLARK RESTAURANT SERVICE, INC., Owensboro.

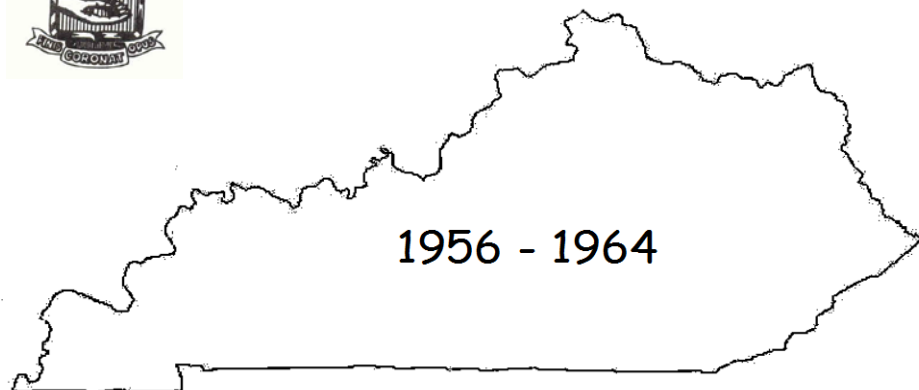

The cover of one early issue is reproduced in miniature below. Look at any current newsletter to see that we have come a LONG WAY with subsequent editors – Joanna Adams, Virginia Denham and Glenna Acree!

MISSION STATEMENT

KSFSA INDUSTRY ADVISORY COMMITTEE

PURPOSE AND IDEAS

The KSFSA has long counted on industry support in many forms: exhibits, advertising in the state newsletter, and sponsoring speakers at the state convention. In recent years KSFSA has grown. With this growth the needs of KSFSA have grown as well. We as industry members would like to assist, support and promote KSFSA to greater heights.

An open line of communication between KSFSA and Industry is required to enhance the growth of Industry members with school food service. One way to obtain this is by initiating an Industry Advisory Committee. How can this help? An Industry Advisory Committee could promote KSFSA and help increase exhibitor participation. It is not uncommon to find 100 exhibitors or more at surrounding states' school association shows. We as industry members, would like to see that commitment for vendors to exhibit at the annual conference, to advertise in "The Challenger", and help promote certification of local school food service personnel. We can help to plan state workshops and assist the association in obtaining their goals.

OBJECTIVES AND GOALS

1. To promote a better understanding and communication source between industry and school food service.
2. To conduct its events in an impartial/unbiased manner.
3. To promote sustaining membership in KSFSA.
4. To assist in planning the state convention.

INDUSTRY ADVISORY COMMITTEE

1. The committee shall consist of 5 industry representatives.
 - a. There should be a variety of Food Service related business personnel.
(Foods and Non-Foods)
 - b. A seat held by an industry representative may be relinquished to another representative of their firm for the remainder of the term.
2. The criteria for an industry representative to be nominated for a seat on the committee is:
 - a. The representative's company must be a sustaining member.
 - b. The representative's company should have demonstrated a devoted interest in school food service.
3. The length of term shall be two years.
4. Selection of the committee:
 - a. Any active exhibitor shall be permitted to fill out a nomination form if he/she has an interest in participating with the advisory committee.
 - b. Nomination forms will be reviewed and new committee members shall be selected by the KSFSA board. (Nomination forms can be included with exhibitor packets at the annual conference.)
 - c. The Chairman shall remain one year to assist in conference and exhibitor planning.

(Approved by the KSFSA Executive Board in December 1991.)

Kentucky State Association Annual Conferences

The Kentucky Association has hosted 49 state conferences since 1957. The first twelve conferences were held in Louisville at the Kentucky Hotel or the Sheraton Hotel. Lucky number thirteen was the first conference held outside Louisville, at the Phoenix Hotel in Lexington. It was also the first conference that had a theme: "Orbiting into the 70's". The first six conferences were one day meetings held on Saturday. The 1963 conference was the first two day conference. Until 1989 all of the state conferences were scheduled in April, or March (The earliest conference was the 1983 conference which took place March 4th and 5th in Owensboro.) The 1989 conference was also the first conference held in June, and the first three day conference (not counting the 1982 conference which took place April 23rd to the 25th). The prize for the longest theme goes to the conference in 1985: "Hats Off to Kentucky School Children, Hats Off to the People That Feed Them". The first conference as the Kentucky School Nutrition Association was Owensboro in 2005. The state conference has been held in six cities, including Louisville (32), Owensboro (9), Lexington (4), Fort Mitchell (2), Paducah (2), and Frankfort (1). Following are the themes and dates of all of the conferences. How many do you remember?
